Welcome to MPG Club Mahabaleshwar

Nestled in a verdant gentle slope overlooking the beautiful valley, streaked with crystal clear, white waterfalls, on an expanse of 11 acres, sits the lovely MPG Club (Mahabaleshwar Parsee Gymkhana). Built in a way that preserves the old-world charm of the 100 yr old Mahabaleshwar Parsee Gymkhana, and yet studded with all modern amenities and luxuries for a fabulous and comfortable stay, the MPG Club offers the best of the old and new world for the discerning elite of society.

Almost daily the clouds shroud the Club in their heavenly bliss, offering tempting glimpses of the surrounding hills and valleys, in a serene quietness that will immediately soothe and heal your soul. The sun when it shines, will warm you delightfully, while the cool breezes stroke your face and jostle your hair; and you will feel yourself being revived, restored and reinvigorated. With 32 rooms that are tastefully furnished in understated luxury, the Club has refrained from the gaudy and loud décor that most other properties garishly flaunt; instead, you will feel you have entered a place where you may still expect Victorian ladies and gentlemen to walk around the corner and greet you with elegance and class.

Yet the MPG Club is far from being stuffy and boring, as it hosts a multitude of activities and comforts for the family and kids, so that it instantly becomes a home away from home, where the adults can relax and enjoy nature and children can run around and play, either on the vast lawns, in the game room or in the swimming pool. MPG also offers a beautiful 20-seater Jacuzzi where you can bask and feel the stress seep away.
